

Lascaux Serigrafia

Lascaux Serigrafia are five pure, highly concentrated hues for water-based screenprinting.

Serigrafia is Lascaux's new water-based and solvent-free screenprinting paint for art and decorative design. These pure, highly pigmented and lightfast acrylic colours have a buttery consistence and offer a long open time on the mesh. The satin, ready-to-use Lascaux Serigrafia colours are intense and show excellent mixability and strong opacity. Serigrafia can be mixed with Lascaux Screenprinting Paste or diluted with water.

Properties

- viscous and highly concentrated
- luminous, with maximum opacity
- consistent satin finish
- excellent miscibility
- water-based and solvent-free
- lightfast, age-resistant and non-yellowing

Application

- Art, design, decoration

Delivery form

Jars of 250ml and 1l

*** ■
excellent lightfastness opaque

The brilliance of the Lascaux Serigrafia colours does not reproduce well in this printing method.

USA: conforms to ASTM D-4236
